* Supplementary information to some of the items listed in the **“Guide to Being an Alumnus/Alumna:”**

EVENTS:

[Founder’s Day] This annual event usually takes place in the late spring, somewhere between April and June, and celebrates the founding of our chapter and the fraternity as a whole.

[Homecoming] This annual event coincides with the university’s Homecoming weekend, which is usually at the end of October. Visit your Alma Mater to relive old memories with your brothers at the chapter house and all around campus.

[Annual Meeting] This annual meeting is a great opportunity to voice your opinions and offer your assistance with fraternity matters. It always takes place in January in Champaign, and often coincides with the winter initiation.

[Initiation] As you know, at the end of each spring and fall pledge semester, the active chapter initiates their new members. Alumni involvement is encouraged to demonstrate to these new members the strength and significance of the fraternity beyond college years.

[Other Active Chapter Events] The actives also welcome alumni to other various events throughout the semester, such as Professional Dinners, Thanksgiving Dinner, and Pledge Education nights.

[A Meet-up of Your Creation] It doesn’t have to be official! Just hanging out with your closest brothers or reaching out to others you’d like to get to know better is a great way to keep the fraternity alive in your life.

POSITIONS:

Volunteering with a not-for-profit such as ours could even possibly earn you hours in NCARB’s Internship Development Program!

[Anthemios Alumni Board] Each position has a two-year term, and elections take place every year at the Annual Meeting (for example: in 2017, the President & Treasurer positions are up for election, and in 2018, the Vice President & Secretary positions will be up for election).

[Anthemios Control Corporation] Positions have varying term lengths (president = 6 years, treasurer + secretary + vice president = 3 years, director = 2 years), and terms are staggered from one another. Elections take place at the Annual Meeting as needed.

[Anthemios Recruitment Organization] For information on acquiring a position, contact Brian Plath at bplath@burwood.com
